

16 August 2023

Dear Parents

Please find link below for uniform and shoes guidelines for the Academic Year 2023 – 24:

[2023 - 24 Uniform & Shoes Guidelines](#)

There are two options available for you to physically buy uniforms. You can visit Trutex Shop in Cityland Mall, which is next to Global Village, or alternatively, you can also visit Trutex who will be on site for a uniform pop up shop in school from 21st August until 10th September.

Please book your appointment on their website <https://www.trutex.ae>.

If you wish to purchase online then that is also an option, please use code: SISM-0017

SMIf you are visiting the pop up show in school, we strongly advise you to not leave it late as school will become busy during these times.

Regarding footwear, please read the uniform guide which includes examples of the types of footwear that are appropriate. Next, Clarks and M&S all have good options for shoes which fit our uniform standards.

For PE kit we are happy to have plain trainers with some detail; however students should not wear neon colors. Air Jordans are not suitable for multi sports as they do not provide sufficient foot support and may result in injuries. As a general guide, simple and affordable is better for school PE footwear.

Kind regards,

Debbie Rogers
