2023-2024

Welcome to the Next Academic Year at Star Mirdif

Welcome Message from the Principal

Dear Star Mirdif family,

Welcome back to Star Mirdif for another exciting academic year.

As ever we return refreshed from the summer and looking forward to welcoming our families back into school.

It has been an eventful summer for the school with a great deal of investment and changes to the school facilities. The team as ever have worked incredibly hard to ensure that we have all the exciting new spaces ready for students come September. We have always referred to the school as having 5 star teaching, however this year we can finally say we have a 5 star facility.

The Star Mirdif family has grown considerably this summer, which simply would not be possible without our existing families support. This growth has helped the school to invest and also add many new teachers and team members to the school so we can continue to improve relentlessly as a school community.

The summer also is a historic one for our school with the very first set of IGCSE/GCSE results for our Year 11 students. This is a year group, along with our year 10 students, whose parents took a chance on us when we opened the Secondary school when I arrived 4 years ago. Thank you for your faith and kindness throughout this time. I am very proud of our Star Mirdif students for their achievements, and look forward to welcoming many of them back for our Sixth Form launching this year.

This year we launch our new vision for the school as we go into a new era for Star Mirdif. You can see the details around the new vision and mission below. I am looking forward to seeing our staff and students #GoBeyond this year and take our school into this new exciting era for the school. Remember that the Star Mirdif family is awesome, and everyone knows it!

As ever do reach out to myself directly on principal@starmirdif.com and look out for an invite to the first Principal coffee morning of the year next week. I am also doing parent tours every Monday from 1pm to 2pm this year so do join me if you want to look around the "New Star Mirdif."

Kind Regards

Neal Oates

Star Mirdif Vision & Mission

Our Vision

To grow the future leaders and global citizens of tomorrow, who will **Go Beyond** and change our world for the better.

Our Mission

Through amazing learning opportunities and personalised pathways, our educators and students **Go Beyond** to ensure every member of our Star Family achieves their personal best both inside and beyond the classroom

Star Mirdif Vision & Mission

Our Vision

To grow the future leaders and global citizens of tomorrow, who will **Go Beyond** and change our world for the better

Our Mission

Through amazing learning opportunities and personalised pathways, our educators and students **Go Beyond** to ensure every member of our Star Family achieves their personal best both inside and beyond the classroom

Our Staff

Star Mirdif staff are our most valued resource who are supported, listened to and invested in. They are knowledgeable, reflective and emotionally aware professionals who are expert practitioners in their fields. Star Mirdif staff are awesome, and everyone knows it!

Our Students

Our students are big thinkers and dreamers, thoughtful, reflective and respectful learners who have high aspirations to become international minded, global citizens of the future

Our Families

Our families are our partners, with a voice which is listened to, through our open door policy and are encouraged to participate and contribute enhancing our positive, co-operative and accepting star community

Sickness at Star Mirdif

Illness

If your child becomes unwell overnight, or over the weekend, please reach out to the school to inform the team that they will not be attending school. Please share symptoms with the school reception team in order for the medical team to monitor. Reception@starmirdif.com

Children who are taken ill at school are cared for by the medical team until they are well enough to return to class or their parents can be contacted and arrangements made for them to be collected and taken home. The medical team also deal with minor cuts and ailments and are trained and qualified to administer prescribed medication.

Please make sure you give all medication to the medical team and complete a Medical Consent form. These are available from the clinic.

You can also reach the medical team by email at medicalteam@starmirdif.com

It is essential that the school has access to every child's medical details in case they are taken ill or injured at school. Please keep the nurse informed and updated about your child's illnesses or medical conditions. Please note that if your child is absent due to illness for more than two days, a medical certificate is required.

Children who are absent with a contagious infection must have written consent from a doctor before they return to school. This must be handed to the school nurse upon the child's return to school.

Leave of Absence Requests

Leave of Absence Request

Request for a leave of absence for personal or family reasons during term time must be made in advance to the Principal.

Please note that as per the KHDA Covid Guidelines, distance learning is stopped from October 3rd, 2021. If you choose to remove children from school following this date, Distanced or Online Learning will not be made available to you as it is imperative that children continue to come to school for all vital learning.

Forms can be downloaded from **[here \(click here\)](#)** and emailed to the school.

Leave of absence is given at the discretion of the school and all requests will be considered on an individual basis. The school's decision will take into account the reason for the absence, the child's attendance record, the timing and duration of the leave, and KHDA's recommendations.

Leave will not be authorised by the school at the following times:

- At the start of the academic year.
- During and immediately prior to assessment weeks.
- When a pupil's attendance record is below 92%.

In accordance with the KHDA guidelines, the school reserves the right to hold pupils back in their current year group if they have been absent for more than 21 consecutive days or non-consecutive days OR have an attendance profile below 92%. Please be aware that attendance and punctuality is an expectation Star Mirdif has of all students.

Clinic Information

Clinics

There are two clinics in school. One in our EYFS building and one in the main school operated by Doctor and two nurses, who work closely with our Operations Manager to ensure that the school runs safely. Our medical team work closely with our parent community to provide the highest care inside the school. Please see below for the names and contact emails for our team

Dr. Nida is our resident doctor, with extensive experience in providing clinical care in a school setting. You can reach Dr. Nida at: doctor@starmirdif.com

Dr Nida is supported by Nurse Esther and Nurse Sibiya. You can reach our nurses at : nurse@starmirdif.com

If you're unsure of whom to contact with a query, the whole medical team is available at the following email: medicalteam@starmirdif.com

Covid Protocols for the Isolation Room

Star Mirdif follows all DHA and KHDA Covid Guidelines to adhere to and exceed in providing a safe learning environment for all of its students.

In the unlikely event that a child develops covid symptoms during the school day, please see the below protocol for the Isolation Room:

If children show symptoms of COVID 19, they will immediately be taken to the isolation room.

- The DHA will be informed and guidance will be given to the school.
- Depending upon this guidance parents will be informed to pick children up from school or parents will be informed of a referral hospital.
- An adult will remain with the child during their time in isolation; adults will wear full PPE.
- The nurse / Doctor will check the patient during their time in isolation; they will also wear full PPE.
- Parents, if requested, are expected to come to school to pick up children immediately, or, a designated adult will take the child to a referred hospital where they will meet with parents.
- Please ensure the school has all updated contact numbers and emails.

Uniform at Star Mirdif

Uniform

Uniforms are purchased from Trutex who are our uniform provider. Until 15th September they can be purchased at school in our pop-up shop. All children are expected to wear school uniforms. Please read the [uniform policy](#) for further information.

Within the year groups EYFS 1 to Year 6, the uniform consists of a blue polo shirt, sand chino shorts/trousers(for cooler months), or skort/trousers(for cooler months) for girls. For Secondary, children are expected to come to school in the School's navy trousers for boys and navy trousers/pleated skirts for girls, and a light blue shirt.

Cardigans/jumpers are available for purchase for the cooler months. We expect all students to wear smart black shoes. We operate a hat or no outdoor play rule at Star Mirdif. Children in EYFS & Primary must bring a Star Branded hat into school to play. Branded items not in the uniform policy will not be allowed to be worn. This is to ensure equality across all children.

In addition, all children require a PE kit. On PE days, Foundation and Primary children should come to school dressed in their PE kit. Secondary children should bring their PE kit and will get changed from school for their PE lesson. All children are expected to take part in PE lessons. If for any reason a parent wishes their child to be exempt from PE, formal documentation (a note to the teacher) needs to be given to the teacher to justify the decision.

The Trutex retail outlet is located at City Mall.

School Shoes

We have a very clear policy on School Shoes, which is part of our uniform policy. Parents can purchase their own choice of shoes as they are not provided by Trutex. Examples of suitable shoes can be found [HERE](#) with images to help parents when purchasing.

As you can see below they are fully black without any colourful branding or white heels. We are happy to accept smart velcro shoes for Primary boys/girls that are as below. They should however **not** be canvas shoes.

Secondary students should exclusively wear plain black shoes which can take Polish.

Uniform Rules

Uniform

It is important for school to have a well-disciplined and inclusive environment to ensure excellent learning behaviours. To support school parents are expected to ensure that children are dressed in the full school uniform. School has ensured we have a good quality formal uniform which is durable and comfortable. By having students in non branded clothing we ensure all are equal and that students take pride in their appearance which impacts their all behaviour in the classroom. Students being sent to school outside of the approved uniform undermines the school's ability to maintain discipline and ensure a cohesive school community.

Students not in the correct uniform in the first week of term will have contact made with parents. It is expected parents will rectify this by the second week in consultation with the school. There may be shortage of items that impact this and so we will work with families to help with this. Initially, for the first week of term, a 1-week deadline will be issued to rectify any uniform issues provided this is not a stock issue. Children will not be able to attend school after this point until the issue is resolved. This also includes footwear which has been outlined in the above section.

During the course of the year, children not in the correct uniform or wearing inappropriate footwear will be required to bring a parent note explaining the issue or an email to the reception that can be passed to a class teacher, including when the uniform issue will be rectified. In the event of a medical issue, a doctor's note will be required.

Parents will be contacted directly in the event school has not been informed of why the uniform is not correct. This will be either through a note with the child or a phone call. Children will not be able to attend school until the uniform issue is corrected from the day afterward if a reason is not provided along with a clear date for when this will be rectified. Children will be sent home if brought in without the correct uniform in these circumstances.

Students with persistent uniform issues will have this logged onto our internal behaviour systems so that we can track and support children with rectifying their uniform issues. We appreciate that parents as with school seek to increase students' own responsibility as they grow older and so they must also take responsibility for coming to school dressed as they should. Consequences for not wearing the correct uniform or forgetting elements of this will follow the school behaviour policies.

The Head of Primary and Secondary may use their discretion with regard to this policy in personalised circumstances. However, parents are expected to make a clear commitment to when uniform issues will be resolved. We are a school community with clear rules around uniforms and we kindly ask that parents support us with these in order to do our best for your children.

Uniform & Equipment at Star Mirdif

➤ **Purchasing uniform 21st August to 10th September**

- 1 Go to: www.trutex.ae
- 2 Click on Book and Appointment
- 3 Select Star International School Mirdif
- 4 Select an available date and time
- 5 Insert your personal details & your child/ren's details
- 6 You will then receive a confirmation of your booking

School shop opening hours are Monday - Sunday 8am - 5pm

Purchasing uniform after 10th September

Order online at: www.trutex.ae

Drop off and Pick Up Procedures

Please follow the instructions below regarding pick up and drop off which have been created to ensure a smooth pick up and drop off experience that ensures the safety of your child and safe guarding of all of our students.

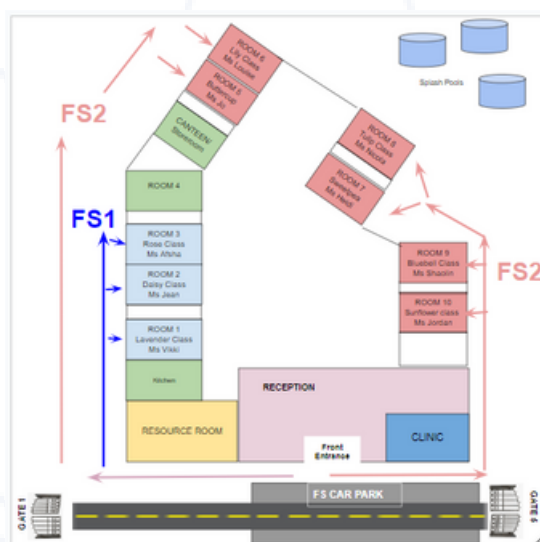

SAFETY

- The safety of our children is important to us.
- Always use pathways around the car park and avoid walking behind cars
- Always follow the traffic flow signs.
- Do not enter car parking areas via the 'No Entry' exit areas as this creates a safety hazard.

Please ensure you are wearing your parent lanyard or that you sign in and out of security to obtain a visitor security badge. All parents and visitors on site must wear an appropriate lanyard.

EYFS 1 & EYFS 2

DROP OFF - direct to classroom	PICK UP - direct from classroom
7.45 am - 8.00 am	1.30 pm (Mon-Thurs) 11.30 am Friday

Monday - Thursday

- FS1 - 1:30 pm
- Years 1-6 - 2:50 pm
- Years 7-12 - 3:45 pm
- **Friday**
- All students - 11:30 am

Punctuality & Attendance

Late Arrival

Students will be deemed late if they arrive anytime after 8:00 am for EYFS. For Primary and Secondary students it will be anytime after 7:45.

Students arriving late in EYFS need to be brought to EYFS reception where our receptionist will record the names of the students and will update the register accordingly. Once registered, the students will be accompanied by an adult to their respective classrooms. The late registration will impact a child's punctuality shown on their termly and end-of-year school reports.

Primary & Secondary students arriving late will come to the main reception and our receptionist will record the names of the students and will update the register accordingly. Once registered, Key Stage 1 students will be accompanied by an adult to their respective classrooms. Key Stage 2 and Secondary students can walk to their respective classrooms. The late registration will impact a child's punctuality shown on their termly and end-of-year school reports. Further consequences for repeated lateness may be issued in line with the Primary/Secondary behaviour policies. Parents will be expected to support these. This may involve reflection periods issued to catch up on missed work.

KHDA expects children to have a minimum of 92% punctuality (acceptable) and to be considered good attendance a child must have 98% punctuality. Children who fall below these levels will have parents invited in to discuss with the class teacher or member of SLT.

Unauthorised Absence

Unauthorised absence is when a child does not attend school and has no valid reason given by the parents. Routine medical appointments, family trips/visits, and avoidable events should not be scheduled during the academic year. The Principal and Vice-Principal have authority to authorise absence as detailed in the section on 'Leave of Absence Requests'.

The KHDA sees acceptable attendance as 92% and Good attendance as 98%. At Star Mirdif we aspire for all children to have 98% attendance as studies have shown that even a single day's absence can have an impact on a child's progress and attainment. Multiple days may well impact a child's final grades in the long term. As such school will take into consideration a child's attendance at the end of the academic year and in consultation with the KHDA may not allow re-registration or progression to the next year group if attendance is below expectations.

Star Mirdif as with our attendance and punctuality policy will first issue a message or call to request a child's attendance and punctuality improve. A letter will then be issued making this more formal and from there if no improvement is made parents will be invited in to discuss further with the senior team.

Further consequences for absence will be issued to students in line with the school's behaviour policies. This may involve reflection periods issued to catch up on missed work.

Late Pick Up Procedures

Late Pick Up (Non-ECA) Monday-Thursday

Star Mirdif is a family community school and as such recognises that things do not always go to plan. There will be occasions where a child cannot be picked up on time. We appreciate this and as such we are very understanding of this and will ensure that safe procedures are in place in these events.

However, persistent lateness makes coordinating the safety of children challenging in school and school bears additional costs as a result. Staff also have to stay longer than their recognised working hours and often have additional duties to attend to at the end of the day. Hence we need a clear set of procedures in place and a location ready for those children who are late for collection.

Therefore we have a very clear 15-minute window for pick-up in the designated pick-up areas. Any child who is not picked up by this point will be taken to the Stay & Play and Study Club by the adults responsible for them during Pick-Up. **This will be a chargeable service provided to parents.**

Children will wait there for parents to arrive and can partake in the activities in the club or do some home learning. Parents will be charged the daily fee for this facility which will ensure children are in a safe and managed environment whilst they wait for parents to arrive. Children will be added to the register in the designated room and parents will enter through the main reception. Main reception will then take your details, ensure you are the parent of said child and then allow parents to go to the designated room to collect your children.

Reception will only begin to call parents to find out where they are after the first 15 minutes as we expect many parents will arrive before then and maybe driving at the time.

Parents will need to be wearing their parent ID badge and have a late pickup slip from the reception team to collect their child. Due to safeguarding reasons, the stay and play staff will not allow a child to be taken without this as they may not be familiar with the parent's identity.

Stay and play at Star Mirdif will be 30 AED for Primary children for the 2:45 pm-3:30 pm slot. For the 2:45 pm - 4:30 pm slot, this will be 50 AED. For Secondary students, the study club from 3:40 pm - 4:30 pm will be 30 AED.

Any pick-ups which occur after 4:30 will be charged at 30 AED per 10 minutes.

Late Pick Up Procedures

Late Pick Up (Non-ECA) Friday

Friday, as parents are aware, is a holy day in the UAE and many of our staff leave at 11:30 in order to be present for prayers. We are legally not allowed to ask staff to stay late and as such we do require parents to be on time for Friday pick-up. Parents late on a Friday will collect children from members of the SLT who will keep children in the library. The same process will continue with reception issuing late pick-up slips. A fine will be issued equal to the stay and play daily rate for the first half an hour. This will double every 15 minutes after 12:00. Parents who struggle with the 11:30 pm pick-up time can apply to have their child join the SLT for a coordinated study club on a Friday with the normal rate charged. Spaces are limited, however.

Late Pick Up ECAs (Tuesday - Thursday)

ECAs are run and coordinated by staff across the school. We do expect parents to arrive on time for student collection. ECA pick-up has no window and so students must be collected from the designated area at the set time so parents are asked to arrive 5 minutes early to be present.

Should Primary ECA parents be late children will be added to the Stay and Play & Study club and charged the daily rate. This is to ensure children are safe and in an organised and staffed area.

Secondary ECA students will be kept by the SLT in reception with parents charged for late pick-up the daily rate for the Study club up until 5:00 pm. This will double from 5:00 pm for every 15 minutes onwards.

Note that for both EYFS/Primary and Secondary ECAs 3 lates will result in the child being removed from the ECA that term.

Snacks & Lunches

Lunches

The school has snack and lunch facilities available for students which is provided by Caffaina, our catering partner.

All children, primary and secondary require either a packed lunch or to order from the school canteen. Please be reminded that when school starts, all children need to bring the following:

- A water bottle that is clearly labelled with the child's name and class. A bottle with a 'sports cap' is recommended to avoid spillages in the classroom.
- A healthy snack into school; a cereal bar or a piece of fruit.

Parents are asked to support us in promoting healthy eating and healthy lunchboxes, and teaching children to enjoy treats in moderation. If parents require help with what is included in a healthy lunchbox, please don't hesitate to contact the school for advice.

Food Allergies

There are certain foods that we ask you to avoid packing in your child's lunchbox.

At Star, we have a strict "No Nuts" Policy

This includes nuts of any kind and all food produce containing nut traces including chocolate spreads that contain nuts.

It is really important that NO nuts are brought into school due to severe allergies, which could be FATAL to children. Please read our **Allergy Policy (click [here](#))**.

Regular checks of children's lunchboxes are carried out by staff and parents will be contacted if these do not adhere to our policy.

Birthdays

EYFS students are permitted to bring in pre-wrapped birthday cakes to school which will be handed to children at the end of the day with their parents permission. However, Primary and Above no party cakes and doughnuts will be allowed.

As part of our healthy eating initiative, we are encouraging children to bring in a "Birthday Book" for the class to enjoy together with their teacher on their Birthday. This initiative encourages excitement around reading together and allows children to share their interests with the rest of the class.

The school cannot accept cakes or party bags from outside of school due to allergy concerns and deliveries of these items by parents or outside providers will be declined.

We will have end-of-term/year class parties where children can bring in their own party plate and on occasion with advance notice school will coordinate special parties for children with school provided food.

Transport

Buses from BUSCO

Our school transport is independently operated by BUSCO; an RTA approved company.

All of the Star Mirdif BUSCO buses adhere to the strict RTA standards and the bus drivers and bus attendants are authorised and trained by the RTA. An RTA trained Bus Attendant provided by BUSCO travels with each vehicle to ensure the safety and welfare of the children. The children are both met and taken to their classrooms by our own staff.

For prices and information on registering your child for school transport, please contact BUSCO on 055 522 5842 or via email at busform@busco.ae.

Registration forms are also available from reception (reception@starmirdif.com) as well as from Ms Anya, the BUSCO School Transport Supervisor based full time at Star Mirdif in the main reception.

Choosing Not to Take the Bus

If you have registered for the school bus service and choose to collect your child from school instead of taking the bus for an appointment or other reason, please ensure that you contact the school before 12pm to ensure that all staff members are notified well in advance to the end of the school day.

This is to ensure the safety of your child and is vital that you support us in this.

Stay and Play & Extra Curricular Activities

Stay and Play / Study Club

Stay and Play / Study Club are available for students providing a mixture of activities and study opportunities depending on the age of the students.

This will be a paid service for any families who wish to take up the provision. Please reach out to accounts to receive the signup form and payment information.

EYFS children with older Primary siblings will have free stay and play until 2:45 pm. Primary children with older siblings will have free stay and play until 3:30.

Stay and play at Star Mirdif will be 30aed for Primary children for the 2:45 pm-3:30 pm slot. However, families with an older secondary sibling will be free of charge if they wish to enroll their child in the club. For the 2:45 pm - 4:30 pm slot, this will be 50 AED. Primary children with older siblings who wish to stay beyond 3:30 until 4:30 the cost is 30aed for this service. For Secondary students, the study club from 3:40 pm - 4:30 pm will be 30 AED.

Note that students picked up late will automatically be entered into the chargeable Stay & Play/Study club. Students picked up after 4:30 pm will be charged 30 AED for every 10 minutes after 4:30 pm.

ECA's

Extra-Curricular Activities will be available in each term. As a school, we work hard to ensure we are providing an excellent range of ECA provisions, to enhance students' skillsets and interests! Last year, we provided an incredible variation of over 50 different clubs! We're excited to see the children enjoy more learning this year too.

You can sign up for your ECA's on EPraise during the ECA sign-up window, which you will be notified of in a parent communication letter on EPraise prior to the window's opening each term. It's important that you are aware of when the window opens and closes, as clubs are really popular and spaces are limited, therefore we work on a first-come, first-served basis.

Also, note that late pick up from ECAs will have the same charge for every 10 minutes of late pickup and unfortunately repeat late pick up may result in being removed from the ECA.

Digital Conduct & PTFA's

Digital Conduct & Mobile Phones

Please be aware the school has a strict no phones policy. This can be seen in more detail within the **'Star Digital Conduct and BYODD'** policy.

Children who have special permission to bring in a mobile phone must leave these with the reception team during the school day. A permission slip can be collected from reception for such cases. However, the school will not accept responsibility for the loss of mobile phones or any other electronic items. Toys, electronic games, and MP3 players should NOT be brought into school.

Students who use mobile phones to arrange transport at the end of the day who have obtained permission may only access the phone in reception under the supervision of the reception team.

Students who are found to have a mobile phone, regardless of it being switched off, will have this confiscated by the classroom teacher or any other member of staff on site. This will be locked up at reception until such time as the parents can come into school to collect the device. Refusal to hand over a device will be regarded as a breach of the school's behaviour policy and an Attitude to Learning of "4" will be given and an instant Thursday detention will be issued.

Telephone Calls

In order to encourage the children to be more organised and responsible, only phone calls of an urgent nature will be made by the receptionist on the children's behalf. Children can phone home but will need to give a clear reason for doing so and approved by a member of the academic team.

Parent, Teacher and Friends Association

The school works alongside parents to organise a number of events throughout the year to raise money and bring the community together. These include our National and International Day celebrations, themed cake bakes, family socials, and school discos. Committee meetings are held regularly and all parents and friends are invited to get involved.

Communications & Social Media

How do I contact my Teacher?

We encourage all parents to reach out to teachers via the Epraise app which is available between the hours of 7:00 am and 17:00 pm. Teachers will respond within 24 hours of receiving the message during the working week.

If you require escalation of an issue or concern, you can reach out to the senior team via the email as follows:

Principal - Mr Neal Oates - principal@starmirdif.com

Vice Principal - Ms Jabeen Hayat - jhayat@starmirdif.com

Head of Secondary - Mr Allan Forbes - aforbes@starmirdif.com

Head of EYFS - Ms Claire Gilmore - cgilmore@starmirdif.com

Deputy Head of Primary - Ms Mariam Yassin - myassin@starmirdif.com

Deputy Head of Secondary - Ms Reena Oates - roates@starmirdif.com

Head of Arabic & Islamic - Mr Mahmoud Abdalla - mabdalla@starmirdif.com

Head of Inclusion - Ms Rachel Brown - rrbrown@starmirdif.com

School Operations - Ms Debbie Rogers - operations@starmirdif.com

Finance Manager - Mr Vikram - vchouhan@starmirdif.com

Primary Reception - Ms Janine Enriquez - reception@starmirdif.com

Foundation Reception - Ms Bernadette Guzman - fsreception@starmirdif.com

Arabic Secretary - Ms Baraa Tallab - arabicsecretary@starmirdif.com

Registrar - Ms Shella Elio - registrar@starmirdif.com

Accounts - Ms Alexis Byanca & Mr John - accounts@starmirdif.com

School Transport - Ms Anya - info@busco.ae

Medical Team - Doctor Nida & Co - medicalteam@starmirdif.com

Organising a meeting with a Member of Staff

If you have concerns that you would like to raise with a senior member of SLT and have gone through the correct process of resolving issues with the teacher and/or Head of Year and still have points of concern, you can organise meetings through the reception team by calling 04 288 4644 or emailing reception@starmirdif.com.

Please do not turn up on school premises expecting a meeting, as members of staff are very busy and may not be available for you.

WhatsApp/Social Media

We understand that class WhatsApp groups between parents will be inevitable, WhatsApp is a brilliant space to share reminders for class events and activities that are taking place throughout the school.

We would ask all parents to try to maintain this space for positive communications only. The UAE has very clear laws regarding online communication and we ask that individual teachers and members of staff are not discussed negatively in these groups. Likewise, parents should not make criticisms of other parents and students in these groups. If you have concerns approach the teacher or management directly.

We enjoy working alongside parents to consistently better the education provisions for children, this can become hard to do when communication is muddled and confused. If you have any personal concerns, please raise these with us, we are more than happy to listen. Remember that class WhatsApp groups are not an official communication channel and that only information shared directly from school either through ePraise or email is official information.

Social Media

You can find Star, Mirdif on [Facebook](#), [Instagram](#), and [Twitter](#). We would love for you to follow us, we share lots of good news and activities that take place all through the school across all three platforms.

Curriculum - Whole School

Awe & Wonder

Imagine lessons that encourage pupils to engage with their sense of curiosity, inviting and exploring the feeling of awe and wonder in our everyday lives.

Imagine a curriculum in which children learn to ask big questions and feel engaged and confident with the idea of the 'unknown'; learning to embrace the mystery and magic of life as something to cherish and treasure.

Imagine a rich, varied curriculum that helps mould articulate, expressive, and confident communicators with a committed dedication to excellence and innovation.

Imagine a curriculum that empowers children to use their own voice and skills of self-regulation to contribute to an environment that harnesses each child's unique potential.

Imagine a curriculum, underpinned with lessons that invite practices for recognising and appreciating wonder in the "everyday" as well as the wider world.

Imagine lessons in which all children are intrinsically motivated to achieve their own personal best. Imagine a curriculum that boasts experiences that will inspire and motivate children in their lifelong learning journey.

Imagine a curriculum where making mistakes is treated as an opportunity to learn.

Imagine a curriculum where we prioritise and strive to nurture creative, curious life-long learners who are equipped with the tools, knowledge, and skills to make a positive impact on themselves and their environment in a local, national and global context.

Imagine.... Star International School, Mirdif

Curriculum - Whole School

In Foundation Stage, the children follow the Early Years Foundation Stage Framework. In Primary, they follow the National Curriculum of England. Our curriculum is based around themes that link learning across different subjects and provide a meaningful context for learning.

The EYFS curriculum supports the youngest children with feeling safe, secure, happy and fosters a love of learning, by allowing the children to learn through play and by the teachers following their interests. The EYFS curriculum focuses on 3 prime areas; Communication & Language, Physical development and Personal, Social and Emotional development and 4 specific areas; Literacy, Maths, Understanding the World and Expressive Arts and Design. The prime and specific areas of learning, ensure that all children are developed as well rounded individuals.

As well as the above areas of learning, all EYFS children will have Arabic, Islamic and PE lessons taught by specialist teachers. To support the delivery of the EYFS curriculum, we ensure that all teachers are UK trained and highly experienced in early childhood education and all classrooms have a learning support assistant to support all educational needs.

Children's well-being, safety, and happiness are the main focus at Star, Mirdif and classrooms follow a Hygge approach to support this.

At Star, we go beyond the British curriculum, enriching it with Awe and Wonder, and amazing Learning. We inspire our children to go beyond and exceed in all areas of their lives, finding a pathway to success personalised for them, to allow them to pursue any career they choose in the future.

We teach an immersive and engaging curriculum and provide lots of opportunities for active learning. Our staff have a shared drive to constantly review, improve and enrich our curriculum to ensure learning is relevant and exciting for all pupils. Through thoughtful teaching, pupils are actively encouraged to develop learning dispositions such as being curious, self-motivated and confident risk-takers. We are extremely proud of the varied and meaningful learning opportunities that we provide our pupils.

Our highly experienced staff inspire our children with a life-long love of learning. They provide pupils with appropriate academic challenges and an excellent breadth and quality of education.

Parents and families are integral to the life of the school. There are lots of opportunities for families to be involved in school life so they can join their children on your learning journeys.

The English National Curriculum at KS3 is a curriculum which is balanced and broadly based and which:

- promotes the spiritual, moral, cultural, mental and physical development of pupils at the school and of society
- prepares pupils at the school for the opportunities, responsibilities, and experiences of later life. 19

The national curriculum provides pupils with an introduction to the essential knowledge that they need to be educated citizens. It introduces pupils to the best that has been thought and said and helps engender an appreciation of human creativity and achievement.

Students will also study Moral Education and UAE Social Studies alongside the English national curriculum subjects as part of the KHDA guidelines.

Classes

Each class is named after a subject matter through year groups, for example, EYFS classes are named after flowers, KS2 are named after fruits, Year 3-4 are named after gemstones, and Year 5-6 are named after solar system.

Secondary Tutor Groups are named with the Initials of the Form Tutor.

Children are allocated to classes by the senior management by identifying the most suitable teacher and classmates for the pupil and any needs they may have.

Introducing GCSEs

What Does Star Mirdif Offer for Years 10-12

At Star Mirdif, we have IGCSE and Vocational options choices for study in Years 10 and 11. We believe in offering a plethora of options for students with a wide range of abilities, skills, and interests to fully harness their potential.

Whether your child holds aspirations to be a Doctor, Engineer, Pilot, or Actor/Actress we have qualifications to enable them to reach their aspirations. There is no pathway in future life which they cannot achieve while studying at Star International School Mirdif. We have ensured we offer qualifications available at all top schools in the UAE and the UK and in some cases some which are more unique to our school such as IGCSE Economics and Food Technology.

It may well be you are reading this as a parent unsure of what the future holds. This is perfectly normal, it is an ever-changing world out there and so a broad and balanced set of qualifications will provide you with everything you need to prepare for when your child decides what they want to do in life. We have excellent pastoral support in place to help you decide your subject option choices and a passionate group of teachers who will support you every step of the way.

Remember that in the British curriculum IGCSE/GCSE qualifications are studied until Year 11 and from then on you specialise in A-Level choices. This means your child can choose a wide variety of qualifications so that they do not close themselves off to possible options in the future. It is also important to choose courses you are interested in and will enjoy, not just those that are tailored to particular career options.

Would you like more information?

[Please click here to read the full GCSE Options Booklet.](#)

Security Information

Identity Lanyards

The school requires parents to wear lanyards, which enables school staff to identify the adults who are authorised to be in school. Please remember to wear your lanyards; lack of a lanyard will mean denied access to school and you will be asked to visit the reception desk to hand over your ID.

All staff in school wear lanyards, these are colour coded to establish the different roles of staff. The colour codes are:

1. Yellow: Visitor
2. Red: Parent
3. Blue: Staff
4. Orange Contractors

Please note visitors to the school will need to sign in at the front gate (Gate 2), where they will hand in their ID in exchange for a lanyard. The ID will be returned when the adult then leaves the school. Parents are expected to wear their Parent badge, or sign in as a visitor if they do not have their badge.

Organising a meeting with a Member of Staff

If you have concerns that you would like to raise with a senior member of SLT and have gone through the correct process of resolving issues with the teacher and/or Head of Year and still have points of concern, you can organise meetings through the reception team by calling 04 288 4644 or emailing reception@starmirdif.com.

Please do not turn up on school premises expecting a meeting, as members of staff are very busy and may not be available for you.

Fees and Payments for the Academic Year

Fees for 2023-24

Year Group	KHDA Approved	Discount for 2023-24	Re/Enrollment Fees	Term 1	Term 2	Term 3	Tuition Fees 2023-24	Digital and Physical Resource fees
FS 1	31,600	3,600	2,800	8,400	8,400	8,400	28,000	700

SAFEGUARDING CHILDREN at STAR INTERNATIONAL SCHOOL, MIRDIF

Star International School, Mirdif, is committed to Safe-guarding and promoting the welfare of pupils and expects all staff and volunteers to share in this commitment.

If you have any concerns about the safety or wellbeing of a pupil please report it immediately to the Designated Child protection Officer (Ms Jabeen Hayat) or the Deputy Child protection Officer (Reena Oates) .

**Our Designated Child
Protection Officer:**

Ms Jabeen Hayat

jhyat@starmirdif.com

T: 04 288 4644 M: 058 570 0818

**Our Deputy Designated
Child Protection Officer:**

Reena Oates

rotates@starmirdif.com

T: 04 288 4644 M: 052 102 4423
